

Real Changes

What's new in helping you look as young as you feel from Dr. Earl H. Parrish and the professional staff of the Parrish Cosmetic & Plastic Surgery Center.

*Enhancing your beauty...
from within!* Fall 2013

Dr. Parrish is retiring.

For over 35 years, Dr. Parrish has helped men and women in southern Oregon and northern California look and feel terrific. Through June of 2014 he will continue to provide the same quality of care to his patients that they have come to expect.

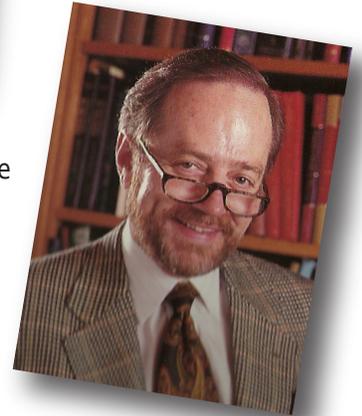

After June, his focus will shift. There is work to do overseas, fellow plastic surgeons to advise, traveling to be done with his wife Rosemary, and grandchildren to enjoy.

Until then, he will continue to perform surgery Monday - Thursday as usual and the office will run the same with the same hours through June, 2014. So there is plenty of time to schedule surgery and appointments.

As always, consultations are complimentary.

Dr. Parrish through the years.

Holiday Skincare

With the holidays around the corner start planning your holiday skincare now.

Get a Facial - Giving a boost to your normal skin care routine with a facial can really help guarantee glowing skin.

Get the "Forever Young" Treatment with BBL - The best way to reverse sun damage and aging skin is with the Sciton BBL treatment. You'll feel vibrant and more younger looking just in time for your parties.

Get your Holiday Makeover with Fillers and Botox - Restore fullness and smooth away lines instantly. You'll be stunning for the holidays! If you want a new holiday lip color, a good moisturizer for the changing weather, longer and darker lashes, whatever it is, we've got everything you need to complete your holiday look!

Fall 2013

from the
desk of
Dr. Parrish

To my valued and loyal patients of these past years, I want to express my deepest appreciation as I announce that I have decided to retire on June 30th, 2014. This was not a decision easily made as I still love what I do every day and truly enjoy working with each of you to achieve the results you seek. It seems like it was such a short while ago when I arrived in the Rogue Valley and began my practice and I have always valued my choice to live here in Southern Oregon. We truly do live in God's Country here.

My current plan is to continue to work my full surgical schedule until sometime in June. Once I have retired, my goals will be to focus more on family and some more time for recreation, including skiing, biking, hiking, and fly fishing. I also plan to do more surgical mission trips of longer duration. My wife and I would like to serve in Africa if an opportunity arises. During my practice years we have worked in Indonesia, Nepal, India, Turkey and Guatemala. I will continue my Guatemala work but would like to volunteer for work in other countries as well.

Our office will be open as usual and all the current staff will remain. We will continue to offer all our current services including laser therapy, Coolsculpt, Botox and other injectables with Debra, and Chelsey's aesthetician services. I know from conversations with many of you that you are planning to schedule a surgery before I retire, so I am trying to give you sufficient notice so you too can plan. Also we are planning a Holiday Open House here at our office in Medford on November 20, so be on the lookout for further information on that event. I hope to see you there.

Again, thank you for all your support and confidence in choosing me to provide for the surgical needs of you and your families over all these years.

God Bless You All, Earl Parrish, MD
