

# Real Changes

What's new in helping you look as young as you feel from Dr. Earl H. Parrish and the professional staff of the Parrish Cosmetic & Plastic Surgery Center.

**Enhancing your beauty...  
from within!** Spring 2009

## What's New

### NEW PRODUCT - *Latisse*

The first and only treatment approved by the FDA for growing eyelashes. Now you can grow your own natural lashes longer, darker, fuller. Call and ask about this **NEW INNOVATION FOR LASHES!**

### JOIN US on April 8 for LADIES ONLY NIGHT Open House

Come spend the evening with us from 6-8:30 pm. We will have an "open house" feel with wine and hors d'oeuvres. Video imaging and complimentary eye brow design will be available. We'll have a live model that has had Restylane® treatment to 1/2 her face, you can see the real results, the difference is amazing! Our staff will be available for questions and information. Browse our tables with info on Skin care, Breast Augmentation, Facial surgery, Wrinkle fillers, Botox®, Laser and so much more! Gift bags and giveaways. Don't miss it! Call and RSVP today!

## Spring into a New You!

Springtime is considered a time of fresh beginnings. As warm weather approaches so does our desire to look good. Our bodies have been under wraps, our faces hidden in scarves and hats and now its time to shed those extra layers. Renew, refresh, and revitalize yourself! ***It's time to spring into a New You.***

***Remember... cosmetic consultations are complimentary. Come and see what we can do for you!***

***Evening appointments are now available- See pg. 2.***

### Medi-Spa Specials:

Save up to \$150 on Restylane and Perlane treatments now through May 1, 2009.

Enjoy a complimentary facial with any Botox®, Dermal filler or Laser treatment.

Save \$25 on Botox® with the 'Benefits Card', a program through Botox® Cosmetic that credits you \$25 toward your future Botox® treatments when done 3-6 months apart.

## On a Personal Note...

A message from Dr. Parrish

"I have volunteered to be the plastic surgeon on an upcoming surgical mission trip to Antigua, Guatemala later in March. The group I will be with is 'Faith in Practice' headquartered in Texas. Our group will do general surgery and gynecologic surgery in addition to plastic surgery. Many of the cases I will be involved with will be children with cleft/lip palate and other birth defects. There are also many burn cases to be operated with skin grafts and flaps."

"I expect much of the work to be similar to the work I have done in Nepal and Asia over the past 25 years. I am excited and look forward to this opportunity to work in Central America for the very first time. I will have follow-up on the trip in a future newsletter."

Dr. Earl H. Parrish, M.D.

## Evening Appointments

After many requests we are now offering evening appointments. We are scheduling Botox®, Restylane® and dermal filler appointments with Debra. Debra is a true artist in her field and she is the reason why our center is the #1 provider in the region for Botox® and the #1 provider in the state for Restylane® and Perlane.

Nurse consultations with Susan are also available. A nurse consultation is a great way to start the cosmetic surgery process. Our nurses work with Dr. Parrish in surgery so they are very familiar with how he works and the procedures he does. All of your questions can be answered and video imaging can be done.

## Welcome, Danielle!

Dani has joined our office as a front office receptionist. She is smart and kind and we are happy to have her as part of the team!

## Happy 40th Birthday, Susan!

Susan, one of our great nurses, turned 40 in February. She has been with our center for over 12 years and we wish her a year of good times and wonderful memories.
